Dear Colleague:

In response to the Office Action mailed November 4, 2005, Applicants note that the Examiner divided the claims into the following two inventions:

- I. Claims 1-4 and 7-12 (process for improving speech, sensory, motor or cognitive function in a person having a stroke or brain damage comprising administering at least two million neurons); and
- II. Claims 5-6 (pharmaceutical composition of human neuronal cells).

Applicants hereby elect Invention I (the process) or claims 1-4 and 7-12 and hereby cancel claims 5-6 with traverse.

The foregoing is submitted as a full and complete response to the Office Action mailed November 4, 2005. No additional fees are believed to be due, as this paper is being filed on the first week day after one month expired.
